Qanon is not violent or conspiracy. We are every day people seeking truth. I am a family man. I am educated, and run my own business. I work hard, and spend my spare time with my family. I enjoy golf 🏌️ and reading. Qanon's, share and tell your story 🙌🙌

The cashier at Michael's said, "Where have you been???"

I told her I was on a road trip & had dinner with @GenFlynn last Saturday.

Her response?

OMG, you stand on a bridge & have dinner with a General? How cool is that?

I couldn't agree more
